THE TELECOMMUNICATIONS ACT OF 1996 )

PETITION TO INTERVENE

The Intelenet Commission, by counsel, pursuant to 170 IAC 1-1-9, petitions to intervene in this cause, and in support of its petition states:

1. The Intelenet Commission ("Intelenet") is charged with implementing through the intelenet system a comprehensive statewide digital telecommunication system known as Access Indiana derived from a strategic planning process and coordinated through the Commission by working with public agencies and private sector organizations to provide intelenet service. In addition, the Commission is charged with entering into a competitively bid contract with a network manager to provide for the development, operation, maintenance, and expansion of electronic transactions with a public agency and electronic information access from a public agency.

2. Intelenet's mailing address is:

101 West Ohio Street, Suite 800  
Indianapolis, Indiana 46204

3. Intelenet meets the requirements for intervention in 170 IAC 1-1-9.

4. This proceeding involves a request by Indiana Bell Telephone Company for a three-phase process for Commission review of various submissions of Indiana Bell Telephone Company to show compliance with Section 271(C) of the Telecommunications Act of 1996.

5. Intelenet's duties will be affected by this proceeding.

6. Intelenet's participation in this cause will not unduly broaden the issues to be considered by the Commission.

7. As an intervenor, Intelenet will be bound by all stipulations, rulings and other matters of record, to the extent they are lawful, made prior to the date of its intervention. Intelenet will take the case as it finds it as of the date of intervention.

8. The undersigned attorneys, Rick D. Doyle and Dan Dovenbarger, are duly authorized to file this petition on behalf of Intelenet, and service of all papers in this cause should be directed to:
